ABOUT US

DAVIS INDUSTRIAL is an award winning, privately held business located in Tampa, Florida.

Davis Industrial operates on a regional scale providing the most comprehensive conveyor system solutions in the industry. Staffed with highly skilled technicians, we deliver a standard of safety and quality that is unmatched by our competitors. Our goal to provide the best service possible is fueled by our belief in always doing the right thing. Its why we respond immediately with true 24/7 emergency service, possess the largest inventory of conveyors parts in the state, and fabricate innovative solutions that help you move more product faster.

OUR HISTORY

BMG and IPG became DAVIS INDUSTRIAL, offering complete conveyor system services, parts, and fabrication.

Established in 1970 with talented new management taking over in 2008. BMG officially rebranded to DAVIS INDUSTRIAL in February of 2017 in order to facilitate future growth and to realign BMG and IPG under a single brand. As DAVIS INDUSTRIAL, we continue expansion on all of our award-winning services while providing world-class products and expert personnel for our customers. DAVIS INDUSTRIAL will continue providing mission critical service 24 hours a day, seven days a week.

Testimonials

"[Davis Industrial] performed excellent work for me at a great price. They are very personable, professional and trustworthy. You will not find a better company and group of employees to work with. I highly recommend their work."

Kim Thompson,
Vulcan Materials Company

"[Davis Industrial] is a preferred vendor of ours, their reliability and willingness to stock and get odd parts for our systems and operations is commendable."

Don Johnson,
Martin Marietta Materials

"I just want to say that you have a great group of guys there, very professional, very safety oriented, respectful. I am very impressed with their work and the way they all worked so well with each other, great teamwork."

Steve Stombaugh,
SMR Aggregates
