STRATEGIC PARTNER ANNOUNCEMENT

THOR GLOBAL (THOR) is proud to announce the appointment of Davis Industrial (Conveyors247) as a new strategic partner located out of Florida, USA.

Formerly BMG Conveyor Services of Florida, Inc. Davis Industrial is a full-service conveyor company offering reliable industrial services by multi-skilled technicians that deliver 24/7 in time-sensitive environments while providing unparalleled solutions.

Davis Industrial has performed a lot of work in a variety of industries over the last few decades including; phosphate/fertilizer, gypsum wallboard manufacturing, aggregate, rock, citrus, wastewater, bauxite, sugar, sawmills/manufacturing, power, asphalt, concrete, recycling, and food / beverage.

THOR Global is confident that with the appointment of Davis Industrial as a strategic partner in the aforementioned areas and coupled to its existing long-term relationships and experience, with the inclusion of the Thor product line, that it will benefit both organizations in its future endeavors.

THOR is a leading manufacturer of bulk material handling equipment for applications ranging from mining, recycling and aggregate to agriculture, ports & terminals. Founded in 1969, THOR has grown significantly over the years in order to provide innovative solutions with unparalleled service and technology worldwide.

Since its inception, THOR has continuously grown on the back of innovation with in-house structural, mechanical and electrical engineering capability and partnering up with a strong 'customer centric' dealer network. The business philosophy of combining this innovative design approach with proven and durable products coupled to a strong dealer partnership network has differentiated THOR over many years.

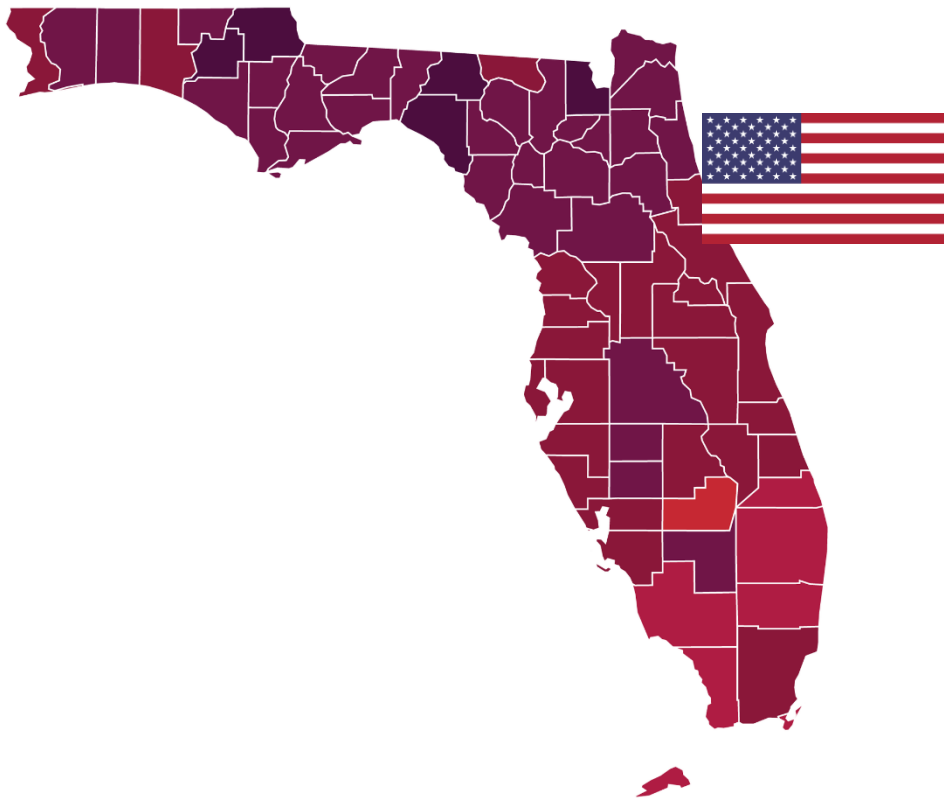

THOR has been able to prove that with innovation; a standard product can be applied to multiple applications and it is this innovation that differentiates THOR Global in the industry.
